Ristorante Asinocotto, 48 Via dei Vascellari; tel./fax 589-8985, <http://www.giulianobrenna.com>. Although Asinocotto may look like the traditional Trastevere *trattoria*, chef Giuliano Brenna deserves every bit of the acclaim he's received in the past several years. Dinner for two about \$75 without wine. Make reservations before you leave home—it's that popular.
